Summary of Legislation: (Amended) This bill contains the following provisions.

- (1) It revises the description of auto racing facilities in the law concerning the time to begin Sunday sales of alcoholic beverages so that the law is not limited to an oval track.
- (2) It provides that at certain auto racing facilities, the owner or operator may permit a person to enter with an alcoholic beverage for consumption at the facility, and that a person may carry on, convey to, or consume on or about the facility, an alcoholic beverage that was not then and there purchased at the facility.
- (3) It provides that the Indiana Alcoholic Beverage Commission may issue a three-way special catering hall permit to an applicant to sell alcoholic beverages for on premises consumption on premises used for private catered events as a catering hall that has accommodations for at least two hundred fifty (250) individuals.
- (4) It provides that a permit for the retail sale of alcoholic beverages on the premises of a marina:
 - (1) owned by Gary, Hammond, Michigan City, Portage; or
 - (2) owned or leased by the city of East Chicago; may include the carryout sale of alcoholic beverages.

(5) It establishes the Alcoholic Beverage Study Committee to study certain issues concerning the regulation of alcoholic beverages in Indiana.

Effective Date: Upon passage; July 1,2000.

Explanation of State Expenditures: (Revised) (5) This bill establishes the Alcoholic Beverage Study Committee. Under current Legislative Council Resolution, interim study committees are allocated \$9,000 per interim. The Legislative Services Agency will staff the committee. Since this provision is effective upon passage, the Committee may incur some expenses in FY2000.

Explanation of State Revenues: (Revised) (3) This provision will allow catering halls that seat at least 250 individuals to obtain a three-way alcoholic beverage permit. Alcoholic beverage permits to these catering halls would be issued without regard to quota provisions. This bill may increase state revenue if more three-way permits are purchased.

Revenue collected from the sale of alcoholic beverage permits is dedicated to the Excise Fund. One third of the Excise Fund is distributed to the state General Fund and the remaining two-thirds is distributed to the general fund of cities, towns, and counties based on where the permittee is located.

Note: A three-way permit is a combination of a beer retailer's permit, a liquor retailer's permit, and a wine retailer's permit issued to a permittee.
