DIGEST FOR ESB 353**

Citations Affected: IC 7.1-3; IC 7.1-5.

Synopsis: Alcoholic beverage sales. Revises the description of auto racing facilities in the law concerning the time to begin Sunday sales of alcoholic beverages so that the law is not limited to an oval track. Provides that at certain auto racing facilities, the owner or operator may permit a person to enter with an alcoholic beverage for consumption at the facility, and that a person may carry on, convey to, or consume on or about the facility, an alcoholic beverage that was not then and there purchased at the facility. Provides that the Indiana alcoholic beverage commission may issue a three-way special catering hall permit to an applicant to sell alcoholic beverages for on premises consumption on premises used for private catered events as a catering hall that has accommodations for at least two hundred fifty (250) individuals. Provides that a permit for the retail sale of alcoholic beverages on the premises of a marina owned by Gary, Hammond, Michigan City, or Portage, or owned or leased by the city of East Chicago, may include the carryout sale of alcoholic beverages but may not include at-home delivery of alcoholic beverages. (This conference committee report adds language specifying that a permit for the retail sale of alcoholic beverages at a marina may not include at-home delivery of alcoholic beverages and removes language establishing an alcoholic beverage study committee.)

Effective: Upon passage; July 1, 2000.
