Summary of Legislation: This bill specifies that the order of priority for the acceptance of financial liability for a minor who receives a driver's license or permit is: (1) a parent with custody; (2) a guardian with custody; (3) an employer; or (4) any other responsible individual. It provides that an individual who has not accepted financial liability for a minor who receives a driver's license or permit but is higher in priority may file a verified written request that the permit or license be canceled with the Bureau of Motor Vehicles (BMV).

Effective Date: July 1, 2001.

Explanation of State Expenditures: For the BMV, there will be administrative staff time spent on this, but the amount is indeterminable and the cost is not quantifiable. The fund affected is the Motor Vehicle Highway Account which supports the BMV. (The specific fiscal impact of this provision likely will depend upon the number of times this situation would arise.)
