Summary of Legislation: This bill reestablishes and extends the Environmental Quality Service Council (EQSC) through December 31, 2005. It also repeals the current EQSC enabling statute (which expires December 31, 2000).

Effective Date: Upon passage.

Explanation of State Expenditures: Legislative Council Resolution 00-2 (Adopted May 25, 2000) provides that the budget of any study committee consisting of at least 16 members is \$18,500. Public Law 248-1996 provides that the EQSC consists of 24 members. Hence, the EQSC is allowed an annual budget of \$18,500. The budget of the EQSC is paid from the legislator travel account within the Legislative Services Agency budget. Legislative Services Agency appropriations come from the State General Fund.

For the 2000 interim and as of December 6, 2000, the Council spent \$14,300 of its total budget. Extending the life of the Council for an additional five years will result in an annual expenditure from the State General Fund of at most \$18,500. Legislative Services Agency will provide staff for the Council, as it currently does. The Agency will incur no additional expenses.
