SENATE BILL No. 306

DIGEST OF SB 306 (Updated February 14, 2001 4:05 PM - DI 104)

Citations Affected: Noncode.

Synopsis: Health center cost based reimbursement. Extends for two years a provision that: (1) adds services provided by certain federally defined community health centers to the services that are provided under Medicaid; (2) requires, if both the office of Medicaid policy planning and the center agree, that each community health center receive its total reasonable cost reimbursement rate on a per visit basis for providing care to recipients of Medicaid; and (3) requires rural health clinics to be reimbursed under a cost based methodology. (The introduced version of this bill was prepared by the interim study committee on Medicaid oversight.)

Effective: June 30, 2001.
