Citations Affected: IC 4-4-6.1; IC 6-1.1-25; IC 36-7; noncode.

Synopsis: Enterprise zones and redevelopment. Proposed conference committee report for ESB 318. Provides that the president of the Association of Indiana Enterprise Zones or an enterprise zone executive director designated by the president shall serve as a nonvoting, advisory member of the enterprise zone board. Allows a county or municipal redevelopment commission to sell or grant real property without a public bidding process to an urban enterprise association or a community development corporation if certain conditions are met. Specifies that a county or municipal redevelopment commission must decide at a public meeting whether to sell or grant real property to an urban enterprise association. Provides that when a community revitalization enhancement district is designated for certain purposes, the unit may spend money to develop or enhance the value of real property used for retail purposes. (This conference committee report makes technical corrections and removes provisions authorizing: (1) the use of tax increment finance revenues to reimburse public and private entities for expenses incurred in training employees of industrial facilities; (2) the executive in the largest municipality of a county to appoint an individual to serve as the executive's proxy on the county's solid waste management district board; and (3) resolves a conflict with SEA 357-2002.)

Effective: July 1, 2002.
