14 **that a practitioner has:**

16 **deception in order to obtain a license to practice, including**
17 **cheating on a licensing examination;**

18 **(2) engaged in fraud or material deception in the course of**
19 **professional services or activities;**

20 **(3) advertised services or goods in a false or misleading**

26 **practitioner's ability to continue to practice competently;**

27 **(6) knowingly violated a state statute or rule or federal statute**
28 **or regulation regulating the profession for which the**

32 **(A) professional incompetence;**

33 **(B) failure to keep abreast of current professional theory**
34 **or practice;**

35 **(C) physical or mental disability; or**

36 **(D) addiction to, abuse of, or severe dependency on alcohol**
37 **or other drugs that endanger the public by impairing a**
38 **practitioner's ability to practice safely;**

- 1 **(8) engaged in a course of lewd or immoral conduct in**
 2 **connection with the delivery of services to the public;**
 3 **(9) allowed the practitioner's name or a license issued under**
 4 **this chapter to be used in connection with an individual or**
 5 **business who renders services beyond the scope of that**
 6 **individual's or business's training, experience, or competence;**
 7 **(10) had disciplinary action taken against the practitioner or**
 8 **the practitioner's license to practice in another state or**
 9 **jurisdiction on grounds similar to those under this chapter;**
 10 **(11) assisted another person in committing an act that would**
 11 **constitute a ground for disciplinary sanction under this**
 12 **chapter; or**
 13 **(12) allowed a license issued by the department to be:**
 14 **(A) used by another person; or**
 15 **(B) displayed to the public when the license has expired, is**
 16 **inactive, is invalid, or has been revoked or suspended.**

17 **For purposes of subdivision (10), a certified copy of a record of**
 18 **disciplinary action constitutes prima facie evidence of a**
 19 **disciplinary action in another jurisdiction.**

20 **(b) The department may impose one (1) or more of the following**
 21 **sanctions if the department finds that a practitioner is subject to**
 22 **disciplinary sanctions under subsection (a):**

- 23 **(1) Permanent revocation of a practitioner's license.**
 24 **(2) Suspension of a practitioner's license.**
 25 **(3) Censure of a practitioner.**
 26 **(4) Issuance of a letter of reprimand.**
 27 **(5) Assess a civil penalty against the practitioner in**
 28 **accordance with the following:**
 29 **(A) The civil penalty may not be more than one thousand**
 30 **dollars (\$1,000) for each violation listed in subsection (a),**
 31 **except for a finding of incompetency due to a physical or**
 32 **mental disability.**
 33 **(B) When imposing a civil penalty, the department shall**
 34 **consider a practitioner's ability to pay the amount**
 35 **assessed. If the practitioner fails to pay the civil penalty**
 36 **within the time specified by the department, the**
 37 **department may suspend the practitioner's license without**
 38 **additional proceedings. However, a suspension may not be**

1 **imposed if the sole basis for the suspension is the**
 2 **practitioner's inability to pay a civil penalty.**

3 **(6) Place a practitioner on probation status and require the**
 4 **practitioner to:**

5 **(A) report regularly to the department upon the matters**
 6 **that are the basis of probation;**

7 **(B) limit practice to those areas prescribed by the**
 8 **department;**

9 **(C) continue or renew professional education approved by**
 10 **the department until a satisfactory degree of skill has been**
 11 **attained in those areas that are the basis of the probation;**
 12 **or**

13 **(D) perform or refrain from performing any acts,**
 14 **including community restitution or service without**
 15 **compensation, that the department considers appropriate**
 16 **to the public interest or to the rehabilitation or treatment**
 17 **of the practitioner.**

18 **The department may withdraw or modify this probation if the**
 19 **department finds after a hearing that the deficiency that**
 20 **required disciplinary action has been remedied or that**
 21 **changed circumstances warrant a modification of the order.**

22 **(c) If an applicant or a practitioner has engaged in or knowingly**
 23 **cooperated in fraud or material deception to obtain a license to**
 24 **practice, including cheating on the licensing examination, the**
 25 **department may rescind the license if it has been granted, void the**
 26 **examination or other fraudulent or deceptive material, and**
 27 **prohibit the applicant from reapplying for the license for a length**
 28 **of time established by the department.**

29 **(d) The department may deny licensure to an applicant who has**
 30 **had disciplinary action taken against the applicant or the**
 31 **applicant's license to practice in another state or jurisdiction or**
 32 **who has practiced without a license in violation of the law. A**
 33 **certified copy of the record of disciplinary action is conclusive**
 34 **evidence of the other jurisdiction's disciplinary action.**

35 **(e) The department may order a practitioner to submit to a**
 36 **reasonable physical or mental examination if the practitioner's**
 37 **physical or mental capacity to practice safely and competently is**
 38 **at issue in a disciplinary proceeding. Failure to comply with a**

1 department order to submit to a physical or mental examination
2 makes a practitioner liable to temporary suspension under
3 subsection (h).

4 (f) Except as provided under subsection (g) or (h), a license may
5 not be denied, revoked, or suspended because the applicant or
6 holder has been convicted of an offense. The acts from which the
7 applicant's or holder's conviction resulted may, however, be
8 considered as to whether the applicant or holder should be
9 entrusted to serve the public in a specific capacity.

10 (g) The department may deny, suspend, or revoke a license
11 issued under this chapter if the individual who holds the license is
12 convicted of any of the following:

34 of the offense for which the conviction was entered are
35 substantially similar to the elements of an offense described
36 under clauses (1) through (11).

37 (h) The department shall deny, revoke or suspend a license or
38 certificate issued under this chapter if the individual who holds the

- 11 substance under IC 35-48-4-4.5.
- 12 (6) Knowingly or intentionally manufacturing, advertising,
- 13 distributing, or possessing with intent to manufacture,
- 14 advertise, or distribute a substance represented to be a
- 15 controlled substance under IC 35-48-4-4.6.

- 21 (10) Attempt under IC 35-41-5-1 to commit an offense listed
- 22 in clauses (1) through (9).
- 23 (11) An offense in any other jurisdiction in which the elements
- 24 of the offense for which the conviction was entered are
- 25 substantially similar to the elements of an offense described
- 26 under clauses (1) through (10).
- 27 (12) A violation of any federal or state drug law or rule
- 28 related to wholesale legend drug distributors licensed under
- 29 IC 25-26-14.
- 30 (i) A decision of the department under subsections (b) through
- 31 (h) may be appealed to the commission under IC 4-21.5-3-7.
- 32 (j) The department may temporarily suspend a practitioner's
- 33 license under IC 4-21-5-4 before a final adjudication or during the
- 34 appeals process if the department finds that a practitioner
- 35 represents a clear and immediate danger to the public's health,
- 36 safety, or property if the practitioner is allowed to continue to
- 37 practice.
- 38 (k) On receipt of a complaint or an information alleging that a

1 person licensed under this chapter has engaged in or is engaging in
2 a practice that jeopardizes the public health, safety, or welfare, the
3 department shall initiate an investigation against the person.

4 (l) Any complaint filed with the office of the attorney general
5 alleging a violation of this licensing program shall be referred to
6 the department for summary review and for its general
7 information and any authorized action at the time of the filing.

8 (m) The department shall conduct a fact finding investigation as
9 the department considers proper in relation to the complaint.

10 (n) The department may reinstate a license that has been
11 suspended under this section if, after a hearing, the department is
12 satisfied that the applicant is able to practice with reasonable skill,
13 safety, and competency to the public. As a condition of
14 reinstatement, the department may impose disciplinary or
15 corrective measures authorized under this chapter.

16 (o) The department may not reinstate a license that has been
17 revoked under this chapter. An individual whose license has been
18 revoked under this chapter may not apply for a new license until
19 seven (7) years after the date of revocation.

20 (p) The department shall seek to achieve consistency in the
21 application of sanctions authorized in this chapter. Significant
22 departures from prior decisions involving similar conduct must be
23 explained in the department's findings or orders.

24 (q) A practitioner may petition the department to accept the
25 surrender of the practitioner's license instead of having a hearing
26 before the commission. The practitioner may not surrender the
27 practitioner's license without the written approval of the
28 department, and the department may impose any conditions
29 appropriate to the surrender or reinstatement of a surrendered
30 license.

31 (r) A practitioner who has been subjected to disciplinary
32 sanctions may be required by the commission to pay the costs of
33 the proceeding. The practitioner's ability to pay shall be considered
34 when costs are assessed. If the practitioner fails to pay the costs, a
35 suspension may not be imposed solely upon the practitioner's
36 inability to pay the amount assessed. The costs are limited to costs
37 for the following:

38 (1) Court reporters.

- 1 **(2) Transcripts.**
- 2 **(3) Certification of documents.**
