15 (d) The U.E.A. may request, by majority vote, the enterprise zone

- 3 county under IC 6-1.1-24 and this chapter, including the cost of:
- 4 (A) maintenance;
- 5 (B) preservation;
- 6 (C) administration of the property before the sale or offering
- 7 for sale of the property;
- 8 (D) unpaid costs of the sale or offering for sale of the property;

 14 chapter.

15 Fourth, any surplus remaining into the county general fund.

16 (b) The county auditor shall file a report with the board of  
 17 commissioners before January 31 of each year. The report must:

- 18 (1) list the real property acquired under IC 6-1.1-24 and this
- 19 chapter; and
- 20 (2) indicate if any person resides or conducts a business on the
- 21 property.

22 (c) The county auditor shall mail a notice by certified mail before  
 23 March 31 of each year to each person listed in subsection (b)(2). The  
 24 notice must state that the county has acquired title to the tract the  
 25 person occupies.

26 (d) If the county determines under IC 36-1-11 that any real property  
 27 so acquired should be retained by the county, then the county shall not  
 28 dispose of the real property. The county executive may repair,  
 29 maintain, equip, alter, and construct buildings upon the real property  
 30 so retained in the same manner prescribed for other county buildings.

31 (e) The county may transfer title to real property described in  
 32 subsection (a) to the redevelopment commission at no cost to the  
 33 commission for sale or grant under ~~IC 36-7-14-22.1~~ or  
 34 **IC 36-7-14-22.2, IC 36-7-15.1-15.1, or IC 36-7-15.1-15.2.**

35 SECTION 4. IC 36-7-14-22 IS AMENDED TO READ AS  
 36 FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 22. (a) This section  
 37 does not apply to the sale or grant of real property or interests in real  
 38 property to ~~neighborhood development corporations~~ **urban enterprise**  
 39 **associations** under section ~~22.1~~ **22.2** of this chapter. The provisions of  
 40 this section concerning publication and bidding procedures do not  
 41 apply to sales, leases, or other dispositions of real property to other  
 42 public agencies for public purposes.

C  
o  
p

1 (b) Before offering for sale or lease to the public any of the real  
2 property acquired, the redevelopment commission shall cause two (2)  
3 separate appraisals of the sale value, or rental value in case of a lease,  
4 to be made by independent appraisers. However, if the real property is  
5 less than five (5) acres in size and the fair market value of the real  
6 property or interest has been appraised by one (1) independent  
7 appraiser at less than ten thousand dollars (\$10,000), the second  
8 appraisal may be made by a qualified employee of the department of  
9 redevelopment. In making appraisals, the appraisers shall take into  
10 consideration the size, location, and physical condition of the parcels,  
11 the advantages accruing to the parcels under the redevelopment plan,  
12 and all other factors having a bearing on the value of the parcels. The  
13 appraisals are solely for the information of the commission, and are not  
14 open for public inspection.

15 (c) The redevelopment commission shall then prepare an offering  
16 sheet showing the parcels to be offered and the offering prices, which  
17 may not be less than the average of the two (2) appraisals. Copies of  
18 the offering sheets shall be furnished to prospective buyers on request.  
19 Maps and plats showing the size and location of all parcels to be  
20 offered shall also be kept available for inspection at the office of the  
21 department.

22 (d) A notice shall be published in accordance with IC 5-3-1. The  
23 notice must state that at a designated time the commission will open  
24 and consider written offers for the purchase or lease of the real property  
25 being offered. In giving the notice it is not necessary to describe each  
26 parcel separately, or to specify the exact terms of disposition, but the  
27 notice:

- 28 (1) must state the general location of the parcels;  
29 (2) call attention generally to any limitations on the use to be  
30 made of the real property offered; and  
31 (3) state that a bid submitted by a trust (as defined in  
32 IC 30-4-1-1(a)) must identify each:  
33 (A) beneficiary of the trust; and  
34 (B) settlor empowered to revoke or modify the trust.

35 (e) At the time fixed in the notice the commission shall open and  
36 consider any offers received. These offers may consist of consideration  
37 in the form of cash, other property, or a combination of cash and other  
38 property. However, with respect to property other than cash, the offer  
39 must be accompanied by evidence of the property's fair market value  
40 that is satisfactory to the commission in its sole discretion. All offers  
41 received shall be opened at public meetings of the commission and  
42 shall be kept open for public inspection.

C  
O  
P  
Y

1 (f) The commission may reject any bids and may make awards to the  
 2 highest and best bidders. In determining the best bids, the commission  
 3 shall take into consideration the following factors:

4 (1) The size and character of the improvements proposed to be  
 5 made by the bidder on the real property bid on.

6 (2) The bidder's plans and ability to improve the real property  
 7 with reasonable promptness.

8 (3) Whether the real property when improved will be sold or  
 9 rented.

10 (4) The bidder's proposed sale or rental prices.

11 (5) The bidder's compliance with subsection (d)(3).

12 (6) Any factors that will assure the commission that the sale or  
 13 lease, if made, will further the execution of the redevelopment  
 14 plan and best serve the interest of the community, from the  
 15 standpoint of both human and economic welfare.

16 (g) The commission may contract with a bidder in regard to the  
 17 factors listed in subsection (f), and the contract may provide for the  
 18 deposit of surety bonds, the making of good faith deposits, liquidated  
 19 damages, the right of repurchase, or other rights and remedies if the  
 20 bidder fails to comply with the contract.

21 (h) After the opening and consideration of the written offers filed in  
 22 response to the notice, the commission may dispose of the remainder  
 23 of the available real property either at public sale or by private  
 24 negotiation carried on by the commission, its regular employees, or real  
 25 estate experts employed for that purpose. For a period of thirty (30)  
 26 days after the opening of the written offers, no sale or lease may be  
 27 made at a price or rental less than that shown on the offering sheet,  
 28 except in the case of sales or rentals of ten (10) or more parcels to a  
 29 purchaser or lessee who agrees to improve the parcels immediately, but  
 30 after that period the commission may adjust the offering prices in the  
 31 manner the commission considers necessary to further the  
 32 redevelopment plan.

33 (i) A conveyance under this section may not be made until the  
 34 agreed consideration has been paid, unless the redevelopment  
 35 commission passes a resolution expressly providing that the  
 36 consideration does not have to be paid before the conveyance is made.  
 37 In addition, such a resolution may provide for a mortgage or other  
 38 security. All deeds, leases, land sale contracts, or other conveyances,  
 39 and all contracts and agreements, including contracts of purchase and  
 40 sale and contracts for advancements, loans, grants, contributions, or  
 41 other aid, shall be executed in the name of the "City (or Town or  
 42 County) of \_\_\_\_\_, Department of Redevelopment", and

1 shall be signed by the president or vice president of the redevelopment  
 2 commission and attested by its secretary. A seal is not required on these  
 3 instruments or any other instruments executed in the name of the  
 4 department.

5 SECTION 5. IC 36-7-14-22.2 IS ADDED TO THE INDIANA  
 6 CODE AS A NEW SECTION TO READ AS FOLLOWS  
 7 [EFFECTIVE JULY 1, 2002]: **Sec. 22.2. (a) The commission may sell**  
 8 **or grant, at no cost, title to real property to an urban enterprise**  
 9 **association for the purpose of developing the real property if the**  
 10 **following requirements are met:**

11 (1) The urban enterprise association has incorporated as a  
 12 not-for-profit corporation under IC 4-4-6.1-5(b)(3).

13 (2) The parcel of property to be sold or granted is located  
 14 entirely within the enterprise zone for which the urban  
 15 enterprise association was created under IC 4-4-6.1-4.

16 (3) The urban enterprise association agrees to cause  
 17 development on the parcel of property within a specified  
 18 period that may not exceed five (5) years from the date of the  
 19 sale or grant.

20 (4) The urban enterprise association agrees to rehabilitate or  
 21 otherwise develop the property in a manner that is similar to  
 22 and consistent with the use of the other properties in the  
 23 enterprise zone.

24 (b) To carry out the purposes of this section, the commission  
 25 may secure from the county under IC 6-1.1-25-9(e) parcels of  
 26 property acquired by the county under IC 6-1.1-24 and  
 27 IC 6-1.1-25.

28 (c) Before offering any parcel of property for sale or grant, the  
 29 fair market value of the parcel of property must be determined by  
 30 an appraiser, who may be an employee of the department.  
 31 However, if the commission has obtained the parcel in the manner  
 32 described in subsection (b), an appraisal is not required. An  
 33 appraisal under this subsection is solely for the information of the  
 34 commission and is not available for public inspection.

35 (d) The commission must decide at a public meeting whether the  
 36 commission will sell or grant the parcel of real property. In making  
 37 this decision, the commission shall give substantial weight to the  
 38 extent to which and the terms under which the urban enterprise  
 39 association will cause development on the property.

40 (e) Before conducting a meeting under subsection (d), the  
 41 commission shall publish a notice in accordance with IC 5-3-1  
 42 indicating that at a designated time the commission will consider

selling or granting the parcel of real property under this section. The notice must state the general location of the property, including the street address, if any, or a common description of the property other than the legal description.

(f) If the county agrees to transfer a parcel of real property to the commission to be sold or granted under this section, the commission may conduct a meeting to sell or grant the parcel to an urban enterprise zone even though the parcel has not yet been transferred to the commission. After the hearing, the commission may adopt a resolution directing the department to take appropriate steps necessary to acquire the parcel from the county and to transfer the parcel to the urban enterprise association.

(g) A conveyance of property to an urban enterprise association under this section shall be made in accordance with section 22(i) of this chapter.

(h) An urban enterprise association that purchases or receives real property under this section shall report the terms of the conveyance to the enterprise zone board created under IC 4-4-6.1-1 not later than thirty (30) days after the date the conveyance of the property is made.

SECTION 6. IC 36-7-15.1-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2002]: Sec. 15. (a) This section does not apply to the sale or grant of real property or interests in real property to:

- (1) nonprofit corporations or neighborhood development corporations under section 15.1 of this chapter; or
- (2) an urban enterprise association under section 15.2 of this chapter.

The provisions of this section concerning appraisal, publication, and bidding requirements do not apply to sales, leases, or other dispositions of real or personal property or interests in property to other public agencies, including the federal government or any agency or department of the federal government, for public purposes.

(b) Before offering for sale, exchange, or lease (or a combination of methods) to the public any of the property or interests acquired, the commission shall cause two (2) separate appraisals of the fair market value to be made by independent appraisers. However, if the property is less than five (5) acres in size and the fair market value of the real property or interest has been appraised by one (1) independent appraiser at less than ten thousand dollars (\$10,000), the second appraisal may be made by a qualified employee of the department. In the case of an exchange, the same appraiser may not appraise both of

1 the properties to be exchanged. In making appraisals, the appraisers  
2 shall take into consideration the size, location, and physical condition  
3 of the parcels, the advantages accruing to the parcels under the  
4 redevelopment plan, and all other factors having a bearing on the value  
5 of the parcels. The appraisals are solely for the information of the  
6 commission and are not open for public inspection.

7 (c) The commission shall then prepare an offering sheet showing the  
8 parcels to be offered and the offering prices, which may not be less  
9 than the average of the two (2) appraisals. Copies of the offering sheets  
10 shall be furnished to prospective buyers on request. Maps, plats, or  
11 maps and plats showing the size and location of all parcels to be  
12 offered shall also be kept available for inspection at the office of the  
13 department.

14 (d) A notice shall be published in accordance with IC 5-3-1. The  
15 notice must state that at a designated time the commission will open  
16 and consider written offers for the purchase or lease of the property or  
17 interests being offered. In giving the notice it is not necessary to  
18 describe each parcel separately, or to specify the exact terms of  
19 disposition, but the notice:

- 20 (1) must state the general location of the parcels;
- 21 (2) call attention generally to any limitations in the redevelopment  
22 or urban renewal plan on the use to be made of the real property  
23 offered; and
- 24 (3) state that a bid submitted by a trust (as defined in  
25 IC 30-4-1-1(a)) must identify each:
  - 26 (A) beneficiary of the trust; and
  - 27 (B) settlor empowered to revoke or modify the trust.

28 (e) At the time fixed in the notice the commission shall open and  
29 consider any offers received. The offers may consist of consideration  
30 in the form of cash, other property, or a combination of cash and  
31 property. However, with respect to property other than cash, the offer  
32 must be accompanied by evidence of the property's fair market value  
33 that is satisfactory to the commission in the commission's sole  
34 discretion. All offers received shall be opened at public meetings of the  
35 commission and shall be kept open for public inspection.

36 (f) The commission may reject any or all bids or may make awards  
37 to the highest and best bidders. In determining the best bids, the  
38 commission shall take into consideration the following factors:

- 39 (1) The size and character of the improvements proposed to be  
40 made by the bidder on the real property bid on.
- 41 (2) The bidder's plans and ability to improve the real property

- 1 (3) Whether the real property when improved will be sold or
- 2 rented.
- 3 (4) The bidder's proposed sale or rental prices.
- 4 (5) The bidder's compliance with subsection (d)(3).
- 5 (6) Any factors that will assure the commission that the sale or

- 9 (g) The commission may contract with a bidder in regard to the
- 10 factors listed in subsection (f), and the contract may provide for the

- 14 (h) After the opening, consideration, and determination of the

- 20 opening of the written offers and determination on them, no sale,
- 21 exchange, or lease may be made at a price or rental less than that
- 22 shown on the offering sheet, except in the case of sales or rentals of:

- 27 income, respectively, for the purpose of constructing single family
- 28 or two (2) family housing; or
- 29 (3) parcels of property to a contractor or developer for the purpose
- 30 of constructing single family or two (2) family housing for
- 31 individuals or families whose income is at or below the county's
- 32 median income for individual and family income, respectively;
- 33 but after that period the commission may adjust the offering prices in
- 34 the manner it considers necessary to further the redevelopment or
- 35 urban renewal plan.
- 36 (i) A conveyance under this section may not be made until the
- 37 agreed consideration has been paid, unless the commission adopts a
- 38 resolution:
- 39 (1) stating that consideration does not have to be paid before the
- 40 conveyance is made; and
- 41 (2) setting forth an arrangement for future payment of
- 42 consideration or provision of an infrastructure credit against the

 2 If full consideration is not paid before the conveyance is made, the  
 3 commission may use a land sale contract or mortgage to secure  
 4 payment of the consideration or may accept as a credit against the  
 5 agreed consideration a contractual obligation to perform public  
 6 infrastructure work related to the property being conveyed. All deeds,
