- 7 JANUARY 1, 2005]:
- 8 **Chapter 6.9. Assessment of Classified Farmland**
- 9 **Sec. 1. As used in this chapter, "farmland" refers to land**
- 10 **classified in the farmland protection program under IC 15-7-10.**
- 11 **Sec. 2. As used in this chapter, "recapture period" means the**
- 12 **lesser of:**
 - 13 (1) the period of classification of land as farmland; or
 - 14 (2) the ten (10) year period immediately preceding the date
 - 15 on which land is withdrawn from the farmland classification.
- 16 **Sec. 3. As used in this chapter, "taxpayer" refers to the owner**
- 17 **of farmland.**
- 18 **Sec. 4. For each assessment date during the period of the**
- 19 **classification of land as farmland:**
 - 20 (1) the land shall be assessed using the lesser of:
 - 21 (A) the assessed value finally determined for the current
 - 22 year's assessment date; or
 - 23 (B) the assessed value finally determined for the
 - 24 assessment date that next succeeds the date of the
 - 25 farmland classification under IC 15-7-10;
 - 26 (2) assessing officials shall keep a record of the assessed
 - 27 value that would apply if the land were not classified as
 - 28 farmland;
 - 29 (3) ditch assessments on the farmland shall be paid; and

1 (4) oil, gas, stone, coal, or other mineral wealth obtained
2 from the farmland shall be assessed and placed on the tax
3 duplicate.

4 **Sec. 5.** The taxpayer shall record the approved application for

6 office. After an approved application is properly recorded, the
7 county auditor shall enter the farmland for taxation at the
8 assessed value determined under section 4(1) of this chapter.

9 **Sec. 6.** If farmland is withdrawn from the farmland
10 classification:

11 (1) the Indiana land resources council established by
12 IC 15-7-9-4 shall immediately notify the assessor, auditor,
13 and recorder of the county in which the farmland is located
14 that the farmland has been withdrawn; and

15 (2) the taxpayer shall make a notation of the withdrawal in
16 the records of the county recorder.

17 **Sec. 7. (a)** If farmland is withdrawn, other than under
18 IC 15-7-10-11, from the farmland classification, the taxpayer shall
19 pay to the county treasurer an amount equal to the sum of:

20 (1) the remainder of:

21 (A) the total property taxes that, if it were not for the
22 farmland classification, would have been assessed to the

26 (2) interest on the property taxes determined under
27 subdivision (1) at the rate of ten percent (10%) per year.

28 **(b)** Property taxes shall be determined under subsection (a)(1)

31 4(2) of this chapter; and

32 (2) the net tax rate for the taxing district in which the
33 farmland is located;

34 for each year for which the property taxes are determined.

35 **(c)** The liability imposed by this section is a lien on the land
36 withdrawn from the farmland classification. The county treasurer
37 shall deposit collections under this section in the farmland
38 protection program account established by IC 15-7-10-12. If the
39 liability is not satisfied, the lien is treated in the same manner
40 that delinquent taxes on real property are treated.

41 **Sec. 8.** A conveyance of farmland does not release a person
42 acquiring an interest in the land from an obligation or liability
43 imposed under this chapter."
