account and is unable to establish such an account within the geographic area of the person's primary business location without payment of a service fee. The person must submit with the waiver request a written statement by the person's financial institution of the person's inability to establish an account without the payment of a fee.

(2) The person's primary business location is too remote to have access to a financial institution where a direct deposit can be made.

(3) The person's financial institution is unable to accept an electronic deposit or withdrawal. The person must submit with the waiver request a written statement by the person's financial institution that the financial institution is unable to accept an electronic deposit or withdrawal.

(4) The auditor of state determines that the facts of the particular case warrant a waiver of the requirement of subsection (a).

The auditor of state shall establish a waiver form consistent with this subsection.

(e) A contract entered into by the state must contain a provision under which the person contracting with the state specifically authorizes the auditor of state to make all payments to the person by direct deposit by electronic funds transfer, subject to the waiver provisions of subsection (d).

(f) Notwithstanding any other law, rule, or custom, a payment to a person by the state under this section discharges only the state's obligation to that person to the extent of the amount of the payment tendered, and does not constitute a settlement, reduction, release, or compromise of the state's obligation to the person.

SECTION 2. [EFFECTIVE JULY 1, 2005] (a) This SECTION applies to a person who entered into a contract with the state before July 1, 2005.

(b) Notwithstanding IC 4-13-2-14.8, as added by this act, a person must do either of the following not later than June 30, 2006:
