

## CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 378

**Citations Affected:** IC 5-28-6-3; IC 6-3.1.

**Synopsis:** Biodiesel, ethanol, and coal gasification. Provides that the Indiana economic development corporation reviews and approves applications for the biodiesel, blended biodiesel, and ethanol income tax credits. Provides standards that the corporation must apply. Creates a \$20,000,000 overall cap for the biodiesel, blended biodiesel, and ethanol producer credits. Allows the corporation to allocate the maximum credits for all taxpayers for all taxable years so long as each credit has a cap of at least \$4,000,000. Establishes a credit cap for a particular producer of biodiesel or ethanol at \$3,000,000 for all taxable years but allows the Indiana economic development corporation to increase this cap to \$5,000,000. Allows credit carryovers for six taxable years. Provides for the expiration of the blended biodiesel retailer credit as of January 1, 2007. Extends the blended diesel retail sales tax credits to dealers that distribute blended diesel at retail by a means other than a metered pump. Provides a tax credit for a taxpayer who places into service an integrated coal gasification powerplant, and requires the taxpayer to enter into an agreement with the economic development corporation requiring the taxpayer to use Indiana coal and satisfy other requirements relating to the operation of the powerplant. Provides for allocating the credit among co-owners of a integrated coal gasification powerplant or owners of a pass through entity. Corrects an internal reference. Makes other related changes. **(This conference committee report does the following: (1) allows the Indiana economic development corporation to increase the credit cap for the production of biodiesel to \$5,000,000; (2) changes the requirement that a taxpayer maintain the level of the taxpayer's statewide payroll for the term of a tax credit for placing an integrated coal gasification powerplant into service to a requirement that a taxpayer maintain the level of the taxpayer's payroll at the location of the taxpayer's investment for the term of the tax credit; (3) adds a severability clause; and (4) makes technical corrections.)**

**Effective:** Upon passage; January 1, 2005 (retroactive); January 1, 2006.

44          invested.  
45          (2) Five percent (5%) of the amount of the taxpayer's qualified

48          **Sec. 16. (a)** A credit awarded under section 15 of this chapter  
49          must be taken in ten (10) annual installments, beginning with the

51          gasification powerplant.

1           **(b) Subject to section 20 of this chapter, the amount of an annual**  
 2 **installment of the credit awarded under section 15 of this chapter**  
 3 **is equal to the amount determined in the last of the following**  
 4 **STEPS:**

5           **STEP ONE: Determine the lesser of:**

6           **(A) the credit amount determined under section 15 of this**  
 7 **chapter, divided by ten (10); or**

8           **(B) the greater of:**

9           **(i) the taxpayer's total state tax liability for the taxable**

 12 **imposed under IC 6-2.3 for the taxable year.**

13           **STEP TWO: Multiply the STEP ONE amount by the**

 15 **coal gasification powerplant in the taxable year for which the**  
 16 **annual installment of the credit is allowed.**

17           **(c) If the credit allowed by this chapter is available to a member**  
 18 **of an affiliated group of corporations filing a consolidated return**  
 19 **under IC 6-2.3-6-5 or IC 6-3-4-14, the credit shall be applied**  
 20 **against the state tax liability of the affiliated group.**

21           **Sec. 17. A person that proposes to place a new integrated coal**  
 22 **gasification powerplant into service may apply to the corporation**  
 23 **before the taxpayer makes the qualified investment to enter into an**  
 24 **agreement for a tax credit under this chapter. The corporation**  
 25 **shall prescribe the form of the application.**

26           **Sec. 18. After receipt of an application, the corporation may enter**  
 27 **into an agreement with the applicant for a credit under this chapter**  
 28 **if the corporation determines that the taxpayer's proposed**  
 29 **investment satisfies the requirements of this chapter.**

30           **Sec. 19. (a) The corporation shall enter into an agreement with an**  
 31 **applicant that is awarded a credit under this chapter. The**  
 32 **agreement must include all the following:**

 37 **each taxable year.**

38           **(4) A requirement that the taxpayer shall maintain operations**  
 39 **at the project location for at least ten (10) years during the**  
 40 **term that the tax credit is available.**

41           **(5) A requirement that the taxpayer shall pay an average wage**  
 42 **to its employees at the integrated coal gasification powerplant,**  
 43 **other than highly compensated employees, in each taxable year**  
 44 **that a tax credit is available that equals at least one hundred**  
 45 **twenty-five percent (125%) of the average county wage in the**  
 46 **county in which the integrated coal gasification powerplant is**  
 47 **located.**

48           **(6) A requirement that the taxpayer will maintain at the**  
 49 **location where the qualified investment is made, during the**

8 powerplant.

9 (b) A taxpayer must comply with the terms of the agreement  
10 described in subsection (a) to receive an annual installment of the  
11 tax credit awarded under this chapter. The corporation shall  
12 annually determine whether the taxpayer is in compliance with the  
13 agreement. If the corporation determines that the taxpayer is in  
14 compliance, the corporation shall issue a certificate of compliance  
15 to the taxpayer.

16 **Sec. 20. (a)** This section applies if a qualified investment is made  
17 by a pass through entity or by taxpayers who are co-owners of an  
18 integrated coal gasification powerplant.

19 (b) If the credit allowed by this chapter for a taxable year is  
20 greater than the state tax liability of the pass through entity against  
21 which the tax credit may be applied, a shareholder, partner, or  
22 member of the pass through entity is entitled to a tax credit equal  
23 to:

24 (1) the tax credit determined for the pass through entity for the  
25 taxable year in excess of the pass through entity's state tax  
26 liability for the taxable year; multiplied by

27 (2) in the case of a pass through entity described in:

- 28 (i) section 9(1), 9(2), 9(3), or 9(4) of this chapter, the

35 two (2) or more taxpayers, the amount of the credit that may be  
36 allowed to a co-owner in a taxable year is equal to:

37 (1) the tax credit determined under sections 15 and 16 of this  
38 chapter with respect to the total qualified investment in the  
39 integrated coal gasification powerplant; multiplied by

40 (2) the co-owner's percentage of ownership in the integrated  
41 coal gasification powerplant.

42 (d) The amount of an annual installment of the credit allowed to  
43 a shareholder, partner, or member of a pass through entity or a  
44 co-owner shall be determined under section 16 of this chapter  
45 modified as follows:

46 (1) Section 16(b) STEP ONE (A) of this chapter shall be based  
47 on the percentage of the credit allowed to the shareholder,  
48 partner, member, or co-owner under this section.

49 (2) Section 16(b) STEP ONE (B) of this chapter shall be based  
50 on the:

 9 **this chapter, and all information that the department determines**  
 10 **is necessary for the calculation of the credit provided by this**  
 11 **chapter.**
