FIRST AUTHOR: Rep. Avery
FIRST SPONSOR:

BILL STATUS: As Passed House

FUNDS AFFECTED: X GENERAL
DEDICATED
FEDERAL

IMPACT: State & Local

Summary of Legislation: This bill provides that a city, town, or county may adopt an ordinance requiring: (1) licensing of teen clubs; (2) limited criminal history checks of owners and employees of teen clubs; (3) statements concerning the criminal background of employees of teen clubs; (4) age restrictions on who may enter teen clubs; and (5) restrictions on the hours of operation of teen clubs.

Effective Date: July 1, 2006.

Explanation of State Expenditures: The Indiana State Police (ISP) may experience an increase in expenditures for processing limited criminal histories if additional requests are made as a result of this bill. However, the ISP charges a fee for the limited criminal history (see *Explanation of State Revenues*).

Explanation of State Revenues: Additional requests for criminal histories would generate revenue for the Indiana State Police. The ISP charges a \$7 fee for the release of limited criminal histories. The ISP also allows limited criminal histories to be searched on its website. The cost to non-accessIndiana subscribers is \$16.32 per search.

In FY 2005, the release and inspection of limited criminal histories generated \$1.6 M in revenue. The fiscal impact of this provision is dependent on the number of additional requests made.

Explanation of Local Expenditures: This bill allows a city, town, or county to adopt an ordinance regulating a teen night club. The fiscal impact is dependent on local action.

Explanation of Local Revenues:

State Agencies Affected: Indiana State Police.

Local Agencies Affected: Cities, towns, and counties.
