## HOUSE CONCURRENT RESOLUTION

---

A CONCURRENT RESOLUTION urging the legislative council to direct the pension management oversight commission to study the factors used to compute public employees' pensions.

*Whereas, The legislature established the pension management oversight commission to serve as the watchdog of the funding and adequacy of public pensions;*

*Whereas, Under IC 2-5-12-2, the pension management oversight commission is charged with determining what constitutes adequate wage replacement levels at retirement (including benefits from public retirement funds and Social Security) for public employees;*

*Whereas, According to a December 2005 Wisconsin Legislative Council study, Indiana's PERF and TRF benefit multiplier is the lowest among all 85 plans surveyed; and*

*Whereas, The General Assembly would like the pension management oversight commission to analyze the comparative retirement benefits programs of Indiana and other state programs: Therefore,*

*Be it resolved by the House of Representatives  
of the General Assembly of the State of Indiana,  
the Senate concurring:*

1 SECTION 1. That the legislative council is urged to direct the  
2 pension management oversight commission to study the factors used to  
3 compute public employees' pensions.
