against the human papillomavirus (HPV) infection is available.

(c) The state department of health shall provide a school described in subsection (b) with the information concerning cervical cancer and the human papillomavirus (HPV) infection required in subsection (b). The information must include the following:

- (1) The latest scientific information on the immunization against the human papillomavirus (HPV) infection and the immunization's effectiveness against causes of cervical cancer.
- (2) That a pap smear is still critical for the detection of precancerous changes in the cervix to allow for treatment before cervical cancer develops.
- (3) Information concerning the means in which the human papillomavirus (HPV) infection is contracted.
- (4) A statement that any questions or concerns concerning immunizing the child against human papillomavirus (HPV) could be answered by contacting a health care provider.

SECTION 2. IC 20-34-4-5.5 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 5.5. (a) Each school that enrolls grade 6 female students shall require the parent of a female student entering grade 6 to furnish not later than the twenty (20) school days after the first day of school a written statement prescribed by the state department of health under subsection (b) stating that the parent has received the information required under section 3(b) of this chapter and that:

- (1) the student has received or is receiving the immunization;
- (2) the parent has decided not to have the student immunized;
- or
- (3) the parent chooses not to provide the information to the school concerning whether the student was immunized;

against the human papillomavirus (HPV) infection.
(b) The state department of health shall prescribe the format for the written statement required under subsection (a).

(c) A student may not be prevented from enrolling in, attending, or graduating from school for the sole reason that the student has not provided the school with the written statement required under this section.

SECTION 3. IC 20-34-4-6, AS ADDED BY P.L.231-2005, SECTION 45, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 6. (a) Not later than sixty (60) days after the enrollment of students for the first time and when additional

1 immunizations are required by statute or rule, each school shall file a
 2 written report with the state department of health and the local health
 3 department having jurisdiction. The report must include the following:
 4 (1) A statement of the number of students who have demonstrated
 5 immunity against diphtheria, pertussis (whooping cough), tetanus,
 6 measles, rubella, poliomyelitis, mumps, and hepatitis B.
 7 (2) A statement of the number of students who have not
 8 demonstrated immunity against the illnesses listed in subdivision
 9 (1).
 10 (3) A statement of the number of students who have been found
 11 positive for sickle cell anemia or lead poisoning.
 12 **(4) Beginning in the 2008-2009 school year, a statement of the**
 13 **number of female students in grade 6 who:**
 14 **(A) have or will have; and**
 15 **(B) have not;**
 16 **been immunized against human papillomavirus (HPV)**
 17 **infection, and the number of female students in grade 6 whose**
 18 **parent chose not to provide the information to the school**
 19 **concerning whether the student was immunized.**
 20 (b) The state department of health and the local health department
 21 shall, for good cause shown that there exists a substantial threat to the
 22 health and safety of a student or the school community, be able to
 23 validate immunization reports by onsite reviews or examinations of
 24 nonidentifying immunization record data. This section does not
 25 independently authorize the state department of health, a local
 26 department of health, or an agent of the state department of health or
 27 local department of health to have access to identifying medical or
 28 academic record data of individual students attending nonaccredited
 29 nonpublic schools.
 30 (c) A school shall file a report for each student who enrolls after the
 31 filing of the report for students who enrolled at the beginning of the
 32 school year. The state department of health has exclusive power to
 33 adopt rules for the administration of this section.
