**Summary of Legislation:** This bill provides that a person whose vehicle is covered by a warranty issued by a repair shop may either obtain warranty service from the repair shop or be reimbursed from the repair shop for the expenses necessary to repair the defect covered by the warranty. The bill specifies that a warranty provision contrary to this act is void, and permits a person whose vehicle is covered by a warranty to obtain reasonable attorney's fees if the person prevails in an action brought to enforce the warranty.

Any additional revenues are likely to be small.

**Explanation of Local Expenditures:**

**Explanation of Local Revenues:** *Court Fee Revenue:* If additional civil actions occur, local governments would receive revenue from the following sources. The county general fund would receive 27% of the \$100 filing fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and
