**Summary of Legislation:** This bill implements the Great Lakes - St. Lawrence River Basin Water Resources Compact.

**Effective Date:** July 1, 2008.

**Explanation of State Expenditures:** The estimated annual fiscal impact of implementing a permit system in the Great Lakes Basin under the proposed Compact with four full-time staff is \$247,763. Any impact to the state would occur after legislation is passed by all states in the compact and upon approval by the U.S. Congress. States involved include Illinois, Indiana, Michigan, Minnesota, New York, Ohio, and Wisconsin, and the Commonwealth of Pennsylvania.

It is anticipated that existing office space in Indianapolis, Michigan City, Columbia City could be used.

The DNR reverted \$1.3 M in state General Fund revenue in FY 2007.

(Revised) The funds and resources required above could be supplied through a variety of sources, including the following: (1) existing staff and resources not currently being used to capacity; (2) existing staff and resources currently being used in another program; (3) authorized, but vacant, staff positions, including those positions that would need to be reclassified; (4) funds that, otherwise, would be reverted; or (5) new appropriations. Ultimately, the source of funds and resources required to satisfy the requirements of this bill will depend upon legislative and administrative actions.
