Summary of Legislation: (Amended) The bill defines "stranger originated life insurance". It prohibits:

Adding a violation to the unfair and deceptive acts provisions could increase the number of violations for which a hearing may ensue. However, the Department of Insurance should be able to handle any additional hearings given its current level of budget and resources.

Explanation of State Revenues: As a result of a hearing, violators may be ordered to cease and desist from the unfair or deceptive act or practice and the Commissioner may order the payment of a civil penalty of not more than \$25,000 for each act or violation. If the person knew or reasonably should have known that he or she was in violation, the penalty may be not be more than \$50,000 for each act or violation. All civil penalties imposed and collected are deposited in the state General Fund.
