MR. SPEAKER:

I move that House Bill 1001 be amended to read as follows:

Page 87, line 16, after "council." insert "Indiana's apportionment of grants to the states under the federal American Recovery and Reinvestment Act of 2009 may be used only for purposes, uses, and projects that do not obligate the state or a political subdivision or create a reasonable expectation that funding from other sources will be or must be used to pay for the same or similar expenditures after Indiana's apportionment is exhausted. When the governor presents proposals to the legislative council for review, the governor must certify that the proposals are one-time expenditures that comply with this SECTION."

(Reference is to HB 1001 as printed February 17, 2009.)
