MADAM PRESIDENT:

I move that Engrossed House Bill 1001 be amended to read as follows:

Page 3, between lines 9 and 10, begin a new line and insert:

"(d) The definitions in IC 2-7-1, apply in SECTION 9 of this act to
the extent that those definitions are not inconsistent with a specific
provision of SECTION 9 of this act."

Page 85, line 33, after "accrue," insert "The reports of the
treasurer must also include, as a percentage, the amount of the
salary and other compensation derived from state funds that the
president, a member of the board of trustees, or any other official
or employee of the university who communicates by any means, or
pays others to communicate by any means, with any legislative
official with the purpose of influencing any legislative action.

For purposes of IC 2-7-1-13 the term "public employee" does not
include the president, a member of the board of trustees, or any
other official or employee of a state educational institution unless
at least fifty-one percent (51%) of the salary and other
compensation of the individual is derived from state funds.
For purposes of IC 2-7-1-14, the term "public official" does not include the president, a member of the board of trustees, or any other official or employee of a state educational institution unless at least fifty-one percent (51%) of the salary and other compensation of the individual is derived from state funds."
