SENATE RESOLUTION

MADAM PRESIDENT:

I offer the following resolution and move its adoption:

A SENATE RESOLUTION urging the legislative council to assign to the Commission on State Tax and Financing Policy the issue of determining property values through a method other than assessment.

Whereas, Property taxes are a serious concern to all property owners;

Whereas, It is difficult to determine an equal and fair method to secure a just valuation for taxation of all property, both real and personal;

Whereas, It is in the public interest to explore different types of systems and procedures to arrive at assessed values in a cost effective manner; and

Whereas, In order to protect the welfare and well-being of all Hoosiers, the state must explore the possibility of determining property values through a method other than assessment: Therefore,

*Be it resolved by the Senate of the
General Assembly of the State of Indiana:*

- 1 SECTION 1. That the legislative council is urged to assign to the
2 Commission on State Tax and Financing Policy the issue of
3 determining property values through a method other than assessment.
4 SECTION 2. That the Commission on State Tax and Financing
5 Policy, if assigned the topic, shall examine the procedures used by

1 other states in determining property value.

2 SECTION 3. That the commission shall operate under the
3 direction of the legislative council and issue a final report when
4 directed to do so by the council.
