 DEDICATED  
 FEDERAL

**IMPACT:** State & Local

**Summary of Legislation:** *Public Records and Open Door Laws:* This bill requires a public agency to: (1) allow inspection or copying; or (2) make copies; of a public record within a reasonable time after the request is received by the agency. It provides that the court may impose a civil penalty against: (1) an officer of a public agency or an individual employed in a management level position with a public agency; or (2) the public agency; for violating the public records law or the open door law. It provides that the court may impose a civil penalty of: (1) not more than \$100 for the first violation; and (2) not more than \$500 for any additional violations. The bill also provides that if an officer of a state or local government agency orders a management level employee to: (1) not give proper notice of a public meeting or executive session; or (2) deny or interfere with a person's request to inspect or copy a public document; the employee is not subject to a civil penalty for violating the statute.

The bill provides that a public agency may withhold personal information from public disclosure regarding an individual less than 18 years of age who participates in an activity conducted or supervised by a state educational institution, including personal information regarding the individual's parent or guardian. It provides that a public agency has the discretion whether to disclose a public record requested by an offender containing personal information relating to a judge, law enforcement officer, or family member of a judge or law enforcement officer.

*Request for Notices:* The bill provides that if a local government agency has the capacity to send electronic mail, the agency shall provide notice to anyone (other than news media) that makes an annual request for notice by: (1) transmitting the notice by electronic mail; or (2) posting the notice on the agency's Internet web site (if the agency has an Internet web site). It provides that a court may not declare a governmental action void for failure to give notice by electronic mail or posting on the local government agency's web site, if the

agency made a good faith effort to comply with the statute.

*Review of Public Records In Camera:* The bill requires (rather than allows) a court to review public records in camera to determine whether redaction of the records violates the public records act. If a formal complaint is filed, it requires the public access counselor to review public records in camera without redaction (excluding redacted information that is the work product of an attorney) to determine whether the redaction of the records violated the access to public records act. The bill provides that unredacted documents that are in the possession of the public access counselor for in camera inspection are confidential while in the possession of the public access counselor.

*Education Fund for Public Access Counselor Program:* The bill also creates an education fund for a program administered by the Public Access Counselor to train public officials and educate the public on the rights of the public and the responsibilities of public agencies under the public access laws.

**Effective Date:** July 1, 2010.

**Explanation of State Expenditures:** *Public Records and Open Door Laws:* This bill could increase expenditures of any public agency if the agency or any officer or management-level employee of that agency knowingly and intentionally:

- (2) Takes final action outside a regular meeting or special meeting.
