Summary of Legislation: The bill provides that an employee of a political subdivision is considered to have resigned from employment with the political subdivision if the employee assumes the elected executive office of the political subdivision or becomes an elected member of the political subdivision's legislative or fiscal body. It specifies that the restriction applies to an employee of a political subdivision who assumes an elected office after June 30, 2011, but provides that the restriction does not apply to an employee of a political subdivision who holds elective office on June 30, 2011, as long as the individual continues to hold or be reelected to that office. It provides that the restriction does not prohibit an employee of a political subdivision from holding an elected office of a political subdivision other than the political subdivision that employs the government employee.
