                          **FEDERAL**

**IMPACT:** State

**Summary of Legislation:** This bill provides that unemployment benefits may not be paid to an individual employed by a Head Start or an Early Head Start program for a week during a period between two successive academic years or terms if the individual performs the employment in the first academic year or term and there is a reasonable assurance that the individual will be employed in the second academic year or term. It makes conforming amendments.

**Effective Date:** July 1, 2011.

**Explanation of State Expenditures:** The bill could reduce the expenditures from each Head Start and Early Head Start employer's experience account in the Unemployment Trust Fund. There are about 3,019 Head Start and Early Head Start staff in Indiana, and the maximum unemployment benefit is \$390 per week. [A week of unemployment benefits for 3,109 employees at the maximum benefits would cost \$905,700.]
