FISCAL IMPACT STATEMENT

LS 7356

BILL NUMBER: SB 468

NOTE PREPARED: Jan 5, 2011

BILL AMENDED:

SUBJECT: Redistricting Commission.

FIRST AUTHOR: Sen. Simpson

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: State

Summary of Legislation: *Redistricting Commission-* The bill establishes a redistricting commission (RC) to create, hold hearings on, take public comment about, and recommend plans to redraw General Assembly districts and congressional districts.

Commission Staff and Administration- The bill requires the Legislative Services Agency (LSA) to provide staff and administrative services to the RC. The bill establishes standards to govern the RC and the LSA in the creation of redistricting plans.

General Assembly Action- The bill requires the General Assembly to meet and to enact redistricting plans for General Assembly districts before October 1 of a redistricting year. It provides that the RC's plan for congressional districts becomes the congressional district plan when adopted by the RC unless the General Assembly enacts a different plan by law. The bill also authorizes the General Assembly to convene in a session to act on redistricting bills at times other than the times the General Assembly is currently authorized to meet. The bill provides that the new redistricting procedures apply to establishment of legislative or congressional districts required after December 31, 2010.

The bill repeals the current law relating to congressional redistricting. The bill makes an appropriation.

Effective Date: Upon passage.

Explanation of State Expenditures: *Redistricting Commission-* The proposed commission would have nine members, eight of whom would be appointed by the President Pro Tempore of the Senate, Speaker of the House, Senate Minority Leader, and House Minority Leader. The eight appointed members would convene

to select a ninth member, who would be the chair. The member selected as the chair may not be a member appointed by the appointing authorities and must meet the qualifications outlined in the bill. RC members would be required, during a redistricting year, to hold at least one public hearing in the northern, southern, and central regions of Indiana. By September 1 of a redistricting year, the RC would adopt and submit a redistricting plan to the consideration of the General Assembly.

Commission Staff and Administration- LSA would be required to staff RC meetings. LSA would also be required to create maps, write map descriptions, evaluate publicly submitted maps, and receive written public comments on the RC's behalf. The bill would apply to the current 2011 redistricting year. The LSA would be able to carry out these provisions within the agency's existing level of resources. However, the effect of the bill on LSA expenditures in future redistricting years would depend on the LSA's budgetary needs for the proposed RC.

General Assembly Action- In a redistricting year, the General Assembly would meet to consider the RC's redistricting plan recommendation and enact legislation before October 1. Given the dates in the bill for the commission, a special session would likely be required to consider the RC's recommendation. The following table presents a cost estimate for a six-day special session. However, since the bill does not specify the length of a special session, the actual cost would depend on future legislative action.

Estimated Costs for a Six-Day Special Session	
Legislators (150 total)	Six Session Days
Per Diem*	\$82,080
Travel**	\$16,020
Total***	\$98,100
<p>* Effective 10/1/2010, legislators receive \$152 per diem for every day in session (including Saturday and Sunday) and \$60.80 per diem for every day not in session. The net effect on expenditures is an additional \$91.20 per diem for every day in session.</p> <p>** Legislators are entitled to mileage for one round trip per week while in session.</p> <p>*** The House and Senate would also incur an unknown minor amount of expense for temporary session staff (doorkeepers and other temporary staff).</p>
