MR. SPEAKER:

I move that House Bill 1210 be amended to read as follows:

```
Page 5, between lines 9 and 10, begin a new line block indented and
insert:
"However, if a health provider who is required under this
subdivision to provide information to the pregnant woman
believes that the information is biased, medically inaccurate,
or contrary to the health care provider's religious beliefs, the
health provider may not be required to provide the
information."
```

(Reference is to HB 1210 as printed February 18, 2011.)
