MR. SPEAKER:

I move that House Bill 1210 be amended to read as follows:

Page 5, between lines 9 and 10, begin a new line block indented and insert:

"However, if a health provider who is required under this subdivision to provide information to the pregnant woman believes that the information is biased, medically inaccurate, or contrary to the health care provider's religious beliefs, the health provider may not be required to provide the information."

(Reference is to HB 1210 as printed February 18, 2011.)
