MR. SPEAKER:

I move that House Bill 1210 be amended to read as follows:

Page 5, line 1, delete "term." and insert "term, including the potential for disability or death. The information provided under this clause must include information on the psychological impact of carrying the fetus to term, including the short term and long term potential for the need for psychiatric or psychological treatment.".

Page 5, between lines 9 and 10, begin a new line double block indented and insert:

"(K) The economic impact of rearing a child from birth until eighteen (18) years of age, including providing shelter, food, clothing, medical care, education, and other costs associated with rearing a child.".

(Reference is to HB 1210 as printed February 18, 2011.)
