DIGEST FOR ESB 292**

**Citations Affected:** IC 14-22-31.5-5; IC 35-47.

**Synopsis:** Preemption of local firearm regulation. Conference committee report for ESB 292. Prohibits, with certain exceptions, a political subdivision from regulating: (1) firearms, ammunition, and firearm accessories; (2) the ownership, possession, carrying, transportation, registration, transfer, and storage of firearms, ammunition, and firearm accessories; and (3) commerce in and taxation of firearms, firearm ammunition, and firearm accessories. Allows a person to file an action against a political subdivision if the person is adversely affected by an ordinance, a measure, an enactment, a rule, or a policy of the political subdivision that violates the law. Repeals a conflicting statute concerning local regulation of firearms. **(This conference committee report does the following: (1) Specifies a political subdivision may not regulate: (A) firearms, ammunition, and firearm accessories; (B) the ownership, possession, carrying, transportation, registration, transfer, and storage of firearms, ammunition, and firearm accessories; and (C) commerce in and taxation of firearms, firearm ammunition, and firearm accessories. (2) Removes: (A) references to "lawful discharge"; and (B) an exception concerning a city or town enacting or enforcing a provision prohibiting or restricting the lawful discharge of a firearm at a shooting range located within the boundaries of the city or town or a consolidated city from enacting or enforcing a provision prohibiting or restricting the lawful discharge of a firearm at a shooting range located within the territory of the consolidated city that comprised the first class city before it became a consolidated city. (3) Specifies that a unit that prohibits or restricts the possession of a firearm in a building owned or administered by the unit by locating metal detection devices at each public entrance to the building: (A) must have at least one law enforcement officer at each public entrance who has been adequately trained to conduct inspections of persons entering the building; and (B) may not prohibit or restrict the possession of a handgun in the building by a person who has been issued a valid license to carry the handgun.)**
