7 that service as if the member had begun teaching before the induction.  
8 A member who serves in military service is considered a teacher and  
9 is entitled to the benefits of the fund if before or during the leave of  
10 absence the member pays into the fund the member's contributions.  
11 Time served by a member in military service for the duration of the  
12 hostilities or for the length of active service in the hostilities and the  
13 necessary demobilization time after the hostilities is not subject to the  
14 one-seventh rule set forth in section 7 of this chapter.  
15 (b) This subsection applies to a member who retires after June 30,  
16 1980. A member who completed four (4) years of approved college  
17 teacher education before voluntary or involuntary induction into

 2 service as if the member had begun teaching before the induction. A  
 3 member who serves in military service is considered a teacher and is  
 4 entitled to the benefits of the fund if the following conditions are met:

- 5 (1) The member has an honorable discharge.
- 6 (2) Except as provided in subsection (g), the member returns to  
 7 active teaching service not later than twenty-four (24) months  
 8 after the completion of active military service.

 10 credit.

11 The time served by a member in military service for the duration of the  
 12 hostilities or for the length of active service in the hostilities and the  
 13 necessary demobilization time after the hostilities is not subject to the  
 14 one-seventh rule set forth in section 7 of this chapter. However, not  
 15 more than six (6) years of military service credit may be granted under  
 16 this subsection.

17 (c) This subsection applies to a member who retires after May 1,  
 18 1989. A member who had begun but had not completed four (4) years  
 19 of approved college teacher education before voluntary or involuntary  
 20 induction into the military services is entitled to service credit in an  
 21 amount equal to the duration of the member's active military service if  
 22 the following conditions are met:

- 23 (1) The member has an honorable discharge.
- 24 (2) Except as provided in subsection (g), the member returns to a  
 25 four (4) year approved college teacher training program not later  
 26 than twenty-four (24) months after the completion of active  
 27 military service and subsequently completes that program.
- 28 (3) The member has at least ten (10) years of in-state service  
 29 credit.

30 The time served by a member in active military service for the length

 36 1991, and who is employed at a state educational institution. A member  
 37 who had begun but had not completed baccalaureate or  
 38 post-baccalaureate education before voluntary or involuntary induction  
 39 into military service is entitled to the member's active military service  
 40 credit for the member's active military service in an amount equal to  
 41 the duration of the member's military service if the following  
 42 conditions are met:

**C**  
**O**  
**P**  
**Y**

- 1 (1) The member received an honorable discharge.
- 2 (2) Except as provided in subsection (g), the member returns to
- 3 baccalaureate or post-baccalaureate education not later than
- 4 twenty-four (24) months after completion of active military
- 5 service and subsequently completes that education.
- 6 (3) The member has at least ten (10) years of in-state service

- 22 member attends.
- 23 (g) The board shall extend the twenty-four (24) month deadline
- 24 contained in subsection (b)(2), (c)(2), or (d)(2) if the board determines
- 25 that an illness, an injury, or a disability related to the member's military
- 26 service prevented the member from returning to active teaching service
- 27 or to a teacher education program not later than twenty-four (24)
- 28 months after the member's discharge from military service. However,
- 29 the board may not extend the deadline beyond forty-eight (48) months
- 30 after the member's discharge.
- 31 (h) If a member retires and the board subsequently determines that
- 32 the member is entitled to additional service credit due to the extension

(j) Subject to this section, an active member may purchase not more than two (2) years of service credit for the member's service on active duty in the armed services if the member meets the following conditions:

- (1) The member has at least one (1) year of credited service in the fund.
- (2) The member serves on active duty in the armed services of the United States for at least six (6) months.
- (3) The member receives an honorable discharge from the armed services.
- (4) Before the member retires, the member makes contributions to the fund as follows:
  - (A) Contributions that are equal to the product of:
    - (i) the member's salary at the time the member actually makes a contribution for the service credit;
    - (ii) a rate, determined by the actuary of the fund, that is based on the age of the member at the time the member actually makes a contribution for service credit and computed to result in a contribution amount that approximates the actuarial present value of the benefit attributable to the service credit purchased; and
    - (iii) the number of years of service credit the member intends to purchase.
  - (B) Contributions for any accrued interest, at a rate determined by the actuary of the fund, for the period from the member's initial membership in the fund to the date payment is made by the member.

However, a member is entitled to purchase service credit under this subsection only to the extent that service credit is not granted for that time under another provision of this section. At least ten (10) years of service in Indiana is required before a member may receive a benefit based on service credits purchased under this section. A member who terminates employment before satisfying the eligibility requirements necessary to receive a monthly allowance or receives a monthly allowance for the same service from another tax supported public employee retirement plan other than under the federal Social Security Act may withdraw the purchase amount plus accumulated interest after submitting a properly completed application for a refund to the fund.

(k) The following apply to the purchase of service credit under subsection (j):

- (1) The board may allow a member to make periodic payments of

1 the contributions required for the purchase of the service credit.  
 2 The board shall determine the length of the period during which  
 3 the payments must be made.

4 (2) The board may deny an application for the purchase of service  
 5 credit if the purchase would exceed the limitations under Section  
 6 415 of the Internal Revenue Code.

7 (3) A member may not claim the service credit for purposes of  
 8 determining eligibility or computing benefits unless the member  
 9 has made all payments required for the purchase of the service  
 10 credit.

11 (l) This subsection applies to a member who retires after June 30,  
 12 2006. A member may not receive credit under this section for service  
 13 for which the member receives service credit under the terms of a  
 14 military or another governmental retirement plan.

15 **(m) Notwithstanding any other provision of this section, a**  
 16 **member who:**

- 17 **(1) has at least ten (10) years of in-state teaching service;**  
 18 **(2) served on active duty in the armed services of the United**

 25 **the computation of, benefits under this chapter;**

26 **is entitled to service credit in an amount equal to the duration of**  
 27 **the member's military service. However, not more than six (6)**  
 28 **years of service credit may be granted under this subsection.**

29 **(n) The service credit granted under subsection (m) may be used**  
 30 **only:**

- 31 **(1) after the board determines that the member is eligible for**  
 32 **the service credit; and**  
 33 **(2) in the computation of benefits to be paid after:**  
 34 **(A) June 30, 2011, in the case of a member who is a World**  
 35 **War II veteran (as defined in 42 U.S.C. 1012); or**  
 36 **(B) June 30, 2013, in the case of any other member.**
