Citations Affected: IC 4-1-12; IC 12-7-2; IC 12-15; IC 27-8; IC 27-13.

Synopsis: Federal health care matters. Proposed committee report to SB 461. Provides that a resident may not be required to purchase a health plan. Requires the office of the secretary and the department of insurance to investigate and allows submission of a waiver for a specified provision of the federal Patient Protection and Affordable Care Act (Act). Allows the office of Medicaid policy and planning (office) to request federal approval to change how the state determines Medicaid eligibility for the aged, blind, and disabled. Requires the Indiana check up plan (plan) to include any federally required bench mark services. Allows, instead of requires, the plan to include dental and vision services. Makes the following changes concerning the plan beginning January 1, 2014: (1) changes income eligibility requirements for the plan from 200% to 133%; and (2) removes the requirement that the individual's employer not provide health insurance and that the individual be without health insurance for six months. Allows a nonprofit organization and health insurers to make deposits into a plan participant's account under specified circumstances. Requires a plan participant to contribute at least \$160 per year. Requires a health insurer that provides coverage under the plan until December 31, 2013, to also offer to provide coverage to certain other individuals in a manner consistent with federal law concerning underwriting, rating, and with state approval of the rate. Allows the office to amend the plan in a manner to be used to cover individuals eligible for Medicaid resulting from passage of the act. Amends current health insurance law to specify application of the law in conformity with the act, as amended by the federal Health Care and Education Reconciliation Act of 2010, including provisions concerning coverage of children until age 26, grievances, and rescissions. Requires the office of Medicaid policy and planning (office) to apply to amend the Medicaid state plan to extend Medicaid coverage of family planning services for certain women and men. Makes conforming amendments. **(This committee report returns the language back to as it left the Senate, except that the report: (1) keeps language added in the House concerning prohibiting a requirement that an Indiana resident purchase health coverage; (2) adds language requiring an investigation and waiver request for a specified provision of the Act; (3) changes the individual minimum contribution under the Indiana check-up plan to \$160; (4) removes language referring to pregnancy in the definition of family planning services; and (5) changes the eligibility level for the family planning state plan amendment to 133%.)**

Effective: Upon passage; September 23, 2010 (retroactive); July 1, 2011.

22 SECTION 18. IC 27-8-5-2, AS AMENDED BY P.L.218-2007,
 23 SECTION 45, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 24 SEPTEMBER 23, 2010 (RETROACTIVE)]: Sec. 2. (a) No individual
 25 policy of accident and sickness insurance shall be delivered or issued
 26 for delivery to any person in this state unless it complies with each of
 27 the following:

28 (1) The entire money and other considerations for the policy are
 29 expressed in the policy.

30 (2) The time at which the insurance takes effect and terminates is
 31 expressed in the policy.

32 (3) The policy purports to insure only one (1) person, except that
 33 a policy must insure, originally or by subsequent amendment,
 34 upon the application of any member of a family who shall be
 35 deemed the policyholder and who is at least eighteen (18) years
 36 of age, any two (2) or more eligible members of that family,
 37 including husband, wife, dependent children, or any children who
 38 are less than ~~twenty-four (24)~~ **twenty-six (26)** years of age, and
 39 any other person dependent upon the policyholder.

40 (4) The style, arrangement, and overall appearance of the policy
 41 give no undue prominence to any portion of the text, and unless
 42 every printed portion of the text of the policy and of any
 43 endorsements or attached papers is plainly printed in lightface
 44 type of a style in general use, the size of which shall be uniform
 45 and not less than ten point with a lower-case unspaced alphabet
 46 length not less than one hundred and twenty point (the "text" shall
 47 include all printed matter except the name and address of the
 48 insurer, name or title of the policy, the brief description if any,
 49 and captions and subcaptions).

50 (5) The exceptions and reductions of indemnity are set forth in the
 51 policy and, except those which are set forth in section 3 of this

1 chapter, are printed, at the insurer's option, either included with
2 the benefit provision to which they apply, or under an appropriate
3 caption such as "EXCEPTIONS", or "EXCEPTIONS AND
4 REDUCTIONS", provided that if an exception or reduction
5 specifically applies only to a particular benefit of the policy, a
6 statement of such exception or reduction shall be included with
7 the benefit provision to which it applies.

8 (6) Each such form of the policy, including riders and
9 endorsements, shall be identified by a form number in the lower
10 left-hand corner of the first page of the policy.

11 (7) The policy contains no provision purporting to make any
12 portion of the charter, rules, constitution, or bylaws of the insurer
13 a part of the policy unless such portion is set forth in full in the
14 policy, except in the case of the incorporation of or reference to
15 a statement of rates or classification of risks, or short-rate table
16 filed with the commissioner.

17 (8) If an individual accident and sickness insurance policy or
18 hospital service plan contract or medical service plan contract
19 provides that hospital or medical expense coverage of a
20 dependent child terminates upon attainment of the limiting age for
21 dependent children specified in such policy or contract, the policy
22 or contract must also provide that attainment of such limiting age
23 does not operate to terminate the hospital and medical coverage
24 of such child while the child is and continues to be both:

25 (A) incapable of self-sustaining employment by reason of
26 mental retardation or mental or physical disability; and

27 (B) chiefly dependent upon the policyholder for support and
28 maintenance.

29 Proof of such incapacity and dependency must be furnished to the
30 insurer by the policyholder within thirty-one (31) days of the
31 child's attainment of the limiting age. The insurer may require at
32 reasonable intervals during the two (2) years following the child's
33 attainment of the limiting age subsequent proof of the child's
34 disability and dependency. After such two (2) year period, the
35 insurer may require subsequent proof not more than once each
36 year. The foregoing provision shall not require an insurer to
37 insure a dependent who is a child who has mental retardation or
38 a mental or physical disability where such dependent does not
39 satisfy the conditions of the policy provisions as may be stated in
40 the policy or contract required for coverage thereunder to take
41 effect. In any such case the terms of the policy or contract shall
42 apply with regard to the coverage or exclusion from coverage of
43 such dependent. This subsection applies only to policies or
44 contracts delivered or issued for delivery in this state more than
45 one hundred twenty (120) days after August 18, 1969.

46 (b) If any policy is issued by an insurer domiciled in this state for
47 delivery to a person residing in another state, and if the official having
48 responsibility for the administration of the insurance laws of such other
49 state shall have advised the commissioner that any such policy is not
50 subject to approval or disapproval by such official, the commissioner
51 may by ruling require that such policy meet the standards set forth in

1 subsection (a) and in section 3 of this chapter.

2 (c) An insurer may issue a policy described in this section in
3 electronic or paper form. However, the insurer shall:

4 (1) inform the insured that the insured may request the policy in
5 paper form; and

6 (2) issue the policy in paper form upon the request of the insured.
