HOUSE BILL No. 1589

DIGEST OF HB 1589 (Updated February 21, 2013 5:48 pm - DI 87)

Citations Affected: IC 8-10.

Synopsis: Ports of Indiana procurement and public works. Increases the threshold at which the ports of Indiana (ports) is required to publicly bid construction projects or purchases of equipment, materials, and supplies from \$25,000 to \$150,000. Provides that a contract for construction or for the purchase of materials or supplies, may proceed immediately after the ports approves the contract. Provides the grounds by which an emergency may be declared by the governing body of the ports and requires the reason for the declaration of emergency to be recorded in the governing body's minutes. Provides that if an emergency is declared, the ports may: (1) contract for a construction project or the purchase of equipment, materials, or supplies, without advertising for bids, if bids or quotes are invited from at least three persons; (2) reject all bids or quotes submitted; and (3) contract with the lowest and best bidder or quoter for the construction project or purchase. Prohibits the ports, in the absence of a declared emergency, from making separate contracts for a construction project or purchase of equipment, if the aggregate of the contracts is more than \$150,000 (instead of \$25,000).

Effective: May 15, 2013.
