

**CONFERENCE COMMITTEE REPORT
DIGEST FOR ESB 582**

Citations Affected: IC 16-18-4.

Synopsis: Hospital police departments. PROPOSED COMMITTEE AMENDMENT TO ESB 582. Allows the governing board of a county hospital, the Marion County health and hospital corporation, a municipal hospital, or a private hospital to establish a hospital police department. Provides that an individual appointed to a hospital police department must meet at least the following requirements: (1) The individual must successfully complete, within one year after the individual is appointed as a hospital police officer, the minimum basic training and educational requirements as approved by the governing board of the hospital and the law enforcement training board. (2) The individual must undergo a psychological evaluation. (3) The individual must undergo a national criminal history background check. Requires the governing board of the hospital to require a hospital police officer to annually attend inservice training courses approved by the governing board of the hospital. **(This conference committee report deletes provisions that do the following: (1) Require an individual appointed as a hospital police officer to successfully complete the basic training requirements adopted by the law enforcement training board as necessary for employment as a law enforcement officer. (2) Prohibit the individual from exercising police powers until completion of basic training. (3) Allow an individual to complete additional training courses approved by the hospital governing board in conjunction with the law enforcement training board. This conference committee report adds the following: (1) Requires an individual to successfully complete, within one year after the individual is appointed as a hospital police officer, the minimum basic training and educational requirements as approved by the governing board of the hospital and the law enforcement training board. (2) Requires the governing board of a hospital to require an individual to annually attend inservice training courses approved by the governing board of the hospital.)**

Effective: July 1, 2013.
