Requires that the sex offender registry be updated daily and be available on the Internet, requires incarcerated sex offenders to register before being released, and shortens certain registration periods. Establishes a procedure for determining which out of state sex offenders residing in Indiana are required to register and how long they are required to register. Permits the DOC to reduce good time credit for a sex offender who does not participate in a sex offender treatment program or who does not register before being released from incarceration. Specifies that a sex offender's principal residence is the residence where the offender spends the most time. Imposes additional registration and notification requirements on sex offenders, including a requirement that a sexually violent predator notify law enforcement officials if the predator will be absent from the predator's principal residence for more than 72 hours. Requires a sexually violent predator to initially register not more than 72 hours after release from incarceration or supervision, and requires all sex offenders to register in person at least once per year. Requires a sex offender to possess a valid driver's license or state identification card. Requires a sex offender who temporarily resides in transitional housing to register once every seven days, and requires a local law enforcement authority to personally visit the listed address of a sex offender. Provides various penalties for violations of these provisions. Makes conforming amendments. Repeals certain provisions concerning the criminal justice institute's duties with respect to sex offenders. Provides that a sexually violent predator who commits an offense after June 30, 2006 must be placed on lifetime parole when the person's term of imprisonment is completed. Provides that a person who violates a condition of lifetime parole after the person's lifetime parole has been revoked two or more times or after completing the person's sentence (including any credit time) commits a Class D felony if the violation involves contact with a child or a victim of the child molesting offense of which the person was convicted, and a Class C felony if the person has a prior unrelated lifetime parole violation conviction. Specifies that a sexually violent predator in another state whose parole is transferred to Indiana may also required to be placed on lifetime parole. Provides that, if a person being supervised on lifetime parole is also required to be supervised by a probation department or similar agency, the probation department or similar agency may have sole supervision of the person if the parole board finds that supervision by the probation department or other agency will be at least as stringent and effective as supervision by the parole board. Prohibits a sex offender from obtaining a waiver for certain residency restrictions imposed as part of probation or parole, and requires the department of correction to report to the budget committee before August 1, 2006 concerning the feasibility of recovering the expense of GPS monitoring from an offender. Requires a sexually violent predator placed on lifetime parole to wear a GPS monitoring device. Requires the department of correction to report annually to the legislative council concerning the department's implementation of lifetime parole and GPS monitoring of sex offenders, including information concerning costs, recidivism, and proposals to reduce cost or increase efficiency. Requires the sentencing policy study committee to study issues related to sex offenders, including: (1) lifetime parole; (2) GPS monitoring; (3) a classification system for sex offenders; (4) recidivism; and (5) treatment.
